Objective:

I am seeking a Doctor of Science degree in Kinesiology and Exercise Science. I wish to pursue the degree full-time at a university by receiving financial aid through teaching and research fellowships. As a proud Hispanic American, I am a 32-year-old United States citizen of Northport, Alabama. My passion for exercise and training has been formalized with a Bachelor of Science and a Master of Science in Kinesiology with Human Performance and Athlete Development.

Education:

The University of Florida (08/23 - 08/24)

Master of Science Degree in Applied Physiology and Kinesiology and Human Performance with a Concentration in Athlete Development.

The University of Alabama (08/19 - 08/23)

Bachelor of Science in Human Performance and Exercise Science with Latin Honors, Magna Cum Laude.

Experience:

ATI Athletic and Therapeutic Institute (08/24)
Operations Support Specialist

University of Alabama (01/23)
Athletic Recreation Facility Intern (120 hours).

Capstone Village (03/21)
Senior Citizen Dining Room and Bar Attendant.

Indian Hills Country Club (04/19)
Poolside Bar Attendant and Event Server.

Extracurricular:

City Leagues: Assisted in coaching soccer, basketball, and baseball.

Okaloosa Children in Crisis: Assisted children in holiday traditions.

Lambda Sigma Phi: Christian Fraternity at The University of Alabama.

Talents and Skills:

Proficiency with Microsoft, Apple, and Cengage software.

Vital internet research and study skills.

Experienced athlete with coaching and group activity participation.
